

1. Agent Black:

Agent Black is a seasoned FBI agent with exceptional skills in gathering and analyzing information. He is a key resource for Jonathan JR., supplying valuable insights and aid by sharing classified information from the FBI files. Agent Black's ability and experience make him an invaluable asset in solving various cases, offering valuable guidance and support.

2. Jonathan JR.:

Jonathan JR. is a brilliant 22-year-old academy student with a passion for investigation and solving mysteries. Known for his sharp mind and innovative ideas, he has a natural talent for unraveling complex puzzles. Despite his young age, Jonathan's remarkable abilities have gained him recognition among his peers and established him as a promising investigator.

3. Sarah Green:

Sarah Green, aged 20, is Jonathan's girlfriend. She initially crossed paths with Jonathan when she took on a job under her father, Mr. Green Watson. Sarah is highly skilled in computer technology and has a distinct ability to remain calm and composed under pressure. Her unconventional thinking and unique perspectives often prove invaluable to the investigations, complementing Jonathan's skills.

4. Mr. Green Watson:

Mr. Green Watson, a 50-year-old man, deeply loves his two daughters. Sadly, one of his daughters has passed away, leaving him with a sole focus on protecting his remaining daughter. Mr. Green Watson is a protective and caring father who has experienced personal tragedy. His past motivates him to ensure the safety and well-being of his surviving daughter.

5. Detective Jen:

Detective Jen is a 27-year-old detective who collaborates closely with the local police force. Renowned for his exceptional problem-solving abilities, Detective Jen gained fame at the age of 25 after solving a high-profile murder case. Often referred to as the "Sherlock Holmes of the 21st century," Detective Jen is dedicated to his duty and relentlessly pursues justice.

6. James Blue:

James Blue, 25 years old, is a close friend of Jonathan. As a skilled programmer, he supplies technical ability to Jonathan's investigations. Though not as adept as Detective Jen or Jonathan in solving mysteries, James has considerable intelligence and resourcefulness. He acts as a supportive figure in Jonathan's life, often lending a helping hand with his knowledge and resources.

7. Detective Randy:

Detective Randy is a 57-year-old experienced detective who leads the police force and acts as Detective Jen's supervisor. With a remarkable record of successfully solving over 2000 cases, Detective Randy is highly respected within the department. Additionally, he is an undercover detective working for the secret police in the Outsider, adding further depth to his character.
